<p style="text-align: center;">Policy Title</p>	<p style="text-align: center;">Dogs (Bush Kinder)</p>
<p style="text-align: center;">Quality Area</p>	<p style="text-align: center;">2 – Children’s Health and Safety</p>
<p style="text-align: center;">Category</p>	<p style="text-align: center;">Best Practice</p>

## 1. Purpose

This policy aims to clearly define:

- Procedures for dealing with dogs off leads that may enter the Bush Kinder space.
- Guidelines for dealing with an angry or threatening dog and/or a dog in attack mode.
- The appropriate medical response to dog bites.
- A framework for the appropriate education and training of children, staff, parents/guardians and children on how to live safely with dogs.

## 2. Values

Thornbury Kindergarten is committed to:

- Providing a safe and healthy environment for children and staff participating in the Bush Kinder program.
- Being respectful of the community space that the bush kinder site offers, including an awareness of dogs being walked off leads in the area.
- Facilitating appropriate communication and education to staff, parents and guardians to minimise the risk of injury of a dog bite to children and staff during Bush Kinder.

## 3. Scope

This policy applies to children, parents/guardians, staff, committee members, authorised persons, volunteers and students on placement working at Thornbury Kindergarten.

## 4. Background and legislation

Thornbury Kindergarten's Bush Kinder program is conducted in community parkland which allows dogs to be walked off leads in designated areas. It is important that children, staff and parents/guardians are aware of the recommended behaviour around dogs and that appropriate communication and training is undertaken to minimise the risk of dog attack injury.

### **Relevant legislation includes but is not limited to:**

- The Children's Services Act 1996 (CSA)
- Children's Services Regulations 2009 (CSR)
- Occupational Health and Safety Act 2004
- Children's Services Act 1996 (CSA)
- Occupational Health and Safety Act 2004
- Occupational Health and Safety Regulations 2007
- Occupational Health and Safety Compliance Codes, First Aid in the Workplace (2008)

## 5. Definitions

Safe behaviour around dogs: The following rules are recommended by the Department of Primary Industry's 'Living Safely With Dogs' program and reinforced by the Victorian Government's Better Health Channel Website:

- Always supervise children and dogs
- If you are unable to supervise even for a short time, separate children from dogs.
- Never approach a strange dog.
- When approaching dogs, ALWAYS:
  - ASK the permission of the owner.
  - Let the dog smell the back of your hand first.
  - Pat dogs gently and calmly from the collar to the tail.
  - Do not pat a dog on its head.
  - Stand still if a dog approaches (don't make direct eye contact, hands in fists by your side with thumbs on the inside).
  - Never intervene between dogs that are fighting.
  - Never disturb a dog that is eating or sleeping.

- Parental access and involvement
- Excursions and centre events
- Occupational Health & Safety

## 7. Procedures

### **General**

#### **The Committee is responsible for:**

- Running a 'Living Safely with Dogs' education session for each four year old Kinder Group, parents and staff. Particular attention in the session is given to recognising the warning signs given by dogs, the correct way to approach a dog and what to do if approached by an aggressive dog.
- Supplying a First Aid Kit on site at Bush Kinder to administer first aid in response to dog bites or for any other purpose.
- Encouraging parents, through this policy, to practice safe dog behaviours at home and to teach children on an ongoing basis how to behave around dogs to minimise risk of dog bites.
- Ensuring staff are appropriately educated on procedures in the event of an aggressive or threatening dog at the bush kinder site and in the event of a dog attack.
- Following all procedures as set out in the Incident and Medical Emergency Management Policy (including notice of notifiable incidents, appropriate record keeping in the event of an incident, maintain first aid kit etc).

#### **Staff are responsible for:**

- Continually educating children on the appropriate behaviours around dogs, including recognising warning signs, the correct way to approach a dog, and what to do if approached by an aggressive dog.
- Ensure Bush Kinder Base is set in a dogs on leash area of the parklands.
- Ensuring the bush kinder sign is clearly visible when operating in parklands, to encourage owners to responsibly leash their dogs.

- Administering first aid in the event of a dog attack.
- Follow procedures in the event of a dog in attack mode.
- Ensuring incidents are reported in the log book.
- Ensuring children wash hands if they touch a dog.
- Carrying out the following specific procedures in the event of one of the following incidents occurring:

1. If a dog off a lead enters the Bush Kinder site

- Remind children to stand still and not to touch or encourage the dog or make any sudden movements.
- Locate the owner if possible and encourage the owner to move the dog away the bush kinder site and put the dog on a lead.

2. If an aggressive and threatening dog enters the Bush Kinder Site

- Remind children to keep quiet and still, look down (no eye-contact with dog), and put arms by sides with hands in fists with thumbs on the inside.
- Encourage children to keep calm and not run.
- Wait until the dog leaves the area before resuming activities.
- Locate the owner if possible and encourage the owner to put the dog on a lead and move the dog away from the Bush Kinder site.
- If staff are concerned please note breed of dog and any identifying details, e.g. red collar to alert Darebin Council.

3. If a dog attacks a child

The following procedures in response to a dog bite are listed on the Victorian Government's Better Health Channel Website:

- Calm the child.
- If the skin has been broken, wash the area under cold running water.
- Apply an antiseptic and cover the bite with a clean dressing.
- Notify parents of the need to take the child to the doctor, as a tetanus booster and antibiotics may be necessary.
- If a piece of flesh has been bitten off, call an ambulance.
- Control the bleeding by applying firm pressure to the wound using a sterile dressing or clean cloth until the ambulance arrives.
- If the child is pale or drowsy, lie them down and raise their legs on a pillow or folded blanket.
- Do not give the child any food or water.
- Staff are to follow procedures as set out in Incident & Medical Emergency Management Policy, including contacting parent/guardian, calling ambulance etc.

### **Parents/guardians are responsible for:**

- Practising safe dog behaviours at home and outside of the Kinder.
- Teaching children on an ongoing basis how to behave around dogs to minimise risk of dog bites.
- If possible, attending the 'Living Safely With Dogs' education session as provided by the committee children, parents and staff.
- Collecting their child as soon as possible when notified of an incident or medical emergency involving their child (such as a dog bite).
- Reading and being familiar with the policy.
- Bringing relevant issues to the attention of both staff and committee.

## **8. Evaluation**

In order to assess whether the policy has achieved the values and purposes the proprietor (committee) will:

- Seek feedback regarding this policy and its implementation with parents/guardians of children participating in the Bush Kinder program. This can be facilitated through discussions and the annual centre survey.
- Ask staff to share their experiences and observations in relation to the effectiveness of this policy.
- Regularly review the policy and centre practices to ensure they are compliant with any new legislation, research or best practice procedures.

## **9. Attachments**

Nil.

## **10. Authorisation**

This policy was approved by the committee of management of Thornbury Kindergarten at a committee meeting December 2017.

Review date:           December 2019
