1. Purpose

This policy aims to clearly define:

- Ways in which Bush Kinder participants are clearly visible to staff and volunteers, and clearly identifiable to other users of Darebin Parklands to protect the safety of all participants.
- The manner in which the Bush Kinder site is marked and signed to enable identification by users of Darebin Parklands and to communicate some key messages to optimise the Bush Kinder program and experience.

2. Values

Thornbury Kindergarten is committed to:

- Providing a safe and healthy environment for children, staff and volunteers participating in the Bush Kinder program.
- Being respectful of the community space that the Bush Kinder site offers, while ensuring the safety of participants at all times in response to external influences and risks.
- Being respectful that members of the public may be interested in the Bush Kinder program, but ensuring that the program is not interrupted or disturbed by other park users.

3. Scope

This policy applies to children, parents/guardians, staff, committee members, authorised persons, volunteers and students on placement working at Thornbury Kindergarten.

4. Background and legislation

Thornbury Kindergarten’s Bush Kinder program is conducted in community parkland which is enjoyed by members of the public and allows dogs to be walked off leads in designated areas. It is important that children, staff and

volunteers participating in the Bush Kinder program are easily identified to each other and parkland users as a discrete group. It is also critical that children participating in the program are clearly visible to all staff and volunteers.

In addition, appropriate signage must be visible to members of the public requesting that dogs be walked on leads in the vicinity of the Bush Kinder site and that they respect the education program underway and not disturb the program in any way.

Relevant legislation includes but is not limited to:

5. Definitions

At each session, all children will be provided with a red wristband which as the Bush Kinder mobile number on it. Thornbury Kindergarten would prefer the children to wear the red Thornbury Kindergarten hat and a Thornbury Kindergarten T-shirt, sometimes over their long-sleeve tops if the weather is cold. When it is wet or raining, wet gear should be worn over clothing (preferably red), to make the children recognisable as part of the group.

Visible signage: Visible signage will be posted at both paths/entrances into the Bush Kinder site. The signage will be displayed to make it clear to other users of the parkland that there is a Kindergarten session in progress, requesting that members of the public don't linger at the site so as not to disrupt the session and that dogs to be kept on leads in the vicinity.

Suggested/sample wording for the signage is detailed in Attachment 1.
